

Fig. 1. 1/2 in. scale

App. 1881  
 (Handwritten)

At the request of the U.S. Bureau of Fish and Game  
 and United States Army for the Coast Survey, following a survey, which  
 has been made, the Coast Survey of the Atlantic Coast, and about four  
 miles, north of the town of New York, and about four  
 miles east of New York, from New York and New Jersey, in a line by the  
 coast.

August 1881
